## General Instructions:

- It has been noted that many of the students are totally addicted to the use of mobile phones on account of online classes, and at the same time, a number of parents suggested that pdf notes need not be sent to WhatsApp Group and the children should develop the habit of writing and completing the notebook works. Therefore, regular supply of pdf notes via WhatsApp will not be available unless those are very inevitable.
- **All parents are requested to ensure that their wards report to school without mobile phones. In case it is confiscated, it will be handed over only to the parent of the child.**
