General Instructions:

- It has been noted that many of the students are totally addicted to the use of mobile phones on account of online classes, and at the same time, a number of parents suggested that pdf notes need not be sent to WhatsApp Group and the children should develop the habit of

writing and completing the notebook works. Therefore, regular supply of pdf notes via WhatsApp will not be available unless those are very inevitable.

- **All parents are requested to ensure that their wards report to school without mobile phones. In case it is confiscated, it will be handed over only to the parent of the child.**
- In case your ward or any family member is seen with the symptoms of COVID-19, dengue, viral flu or any other symptoms, kindly do not send your ward to school.
- Water bottle and fruit tiffin & lunch tiffin are to be brought by your ward.
- Kindly send your ward to the school even if your ward does not have school uniforms. However, you are requested to purchase the same at your earliest.

Paving way for a fruitful, purposeful academic session for your ward and soliciting your benign support to keep the lamp of knowledge bright, we remain.

Principal
