(Summer Vacation)

Dear Parents,

Greetings from GD Goenka Public School, Gwalior!

Summer vacation is the most awaited time of the year in the lives of students. It gives them an opportunity to take a break from their daily routine, relax and enjoy their time with family and friends. Every year, students eagerly await their summer vacations with the hope of doing something worthwhile that liberates them from the monotonous and regular routine of school and studies.

Your ward has already been given Holiday Homework by way of Art Integrated Projects / Inter-Disciplinary Projects. Kindly ensure that your ward completes the same creatively during this summer vacation. The marks for the same will be recorded in Subject Enrichment Activities, which will be a part of Internal Assessment that consists of 20 marks. Therefore, it is expected that your ward submits the same on the very first day the school resumes its regular classes in June.
