Dear Parents,

Come November, cold and chilly weather begins to blowout reminding everyone to switch to woollen clothes, recalling every parent to send their wards to schools in complete winter outfits. Therefore, all parents are hereby intimated that the school would follow the winter timing & winter uniform with effect from 01 November 2022 onwards. It may also be noted that the school does not endorse any particular vendor for the purchase of your ward's school uniform.

A number of parents are aware that the uniform of GD Goenka Public Schools all across India is one and the same, and it will be available Pan-India, in open market, both online and offline, more evidently with uncompromising superior quality, and with reasonable and competitive rates.

Quite a few parents of our school have purchased the summer uniform online to analyse the quality of stuff, rates of the same, mode of delivery, pace of delivery, approachability to the different vendors etc., and they expressed unparalleled satisfaction.
